

2016 Annual Plan

2016 Impact Goals

- A. Empowering people to live better, with higher quality of life and less pain
- B. Expanding the continuum of care to drive the best possible patient outcomes
- C. Creating the next generation of diagnostic and treatment solutions; bringing them to market faster to get earlier, more accurate diagnoses and treatments

= Our
Impact

To create a reputation as the cause leader for audaciously attacking arthritis and its effects
