

NATIONAL HEALTH COUNCIL

ANNOUNCING AN ENHANCED NHC MEMBER BENEFIT

The meeting space provided by the National Health Council exceeds all expectations. The high-level support from NHC staff alleviates planning time and makes the experience of organizing meetings easy and enjoyable.”

Molly Murray, CAE, President & CEO,
Autoimmune Association

Having access to the National Health Council’s meeting space and private offices has been a great asset to me. Not only is the NHC office conveniently located in the downtown area and is a few miles away from Capitol Hill, the incredible support that the NHC team has offered has made it very accessible and easy to use.”

Jeff Todd, JD, President & CEO,
Prevent Blindness

Host Your Next Meeting at the National Health Council

Centrally located in downtown Washington, DC, the National Health Council’s (NHC’s) new headquarters at 1730 M Street NW, Suite 650, offers an ideal location to host meetings and/or have a home base from which to work when visiting our nation’s capital. The NHC is providing this offer **FREE OF CHARGE** to all members as an enhanced member benefit.

IN-PERSON MEETINGS

Spaces available for use include both small and large conference rooms equipped with access to video and audio teleconferencing that can accommodate 5–40 people, depending on room set-up (e.g., hollow square, pods, theatre, etc.).

OFFICE HOTELING

If you or members of your organization traveling to DC are in need of office space, we have fully equipped offices available for hourly, daily, or weekly use.

AUDIOVISUAL/MULTIMEDIA SERVICES

We offer a full-range of AV equipment and interactive technologies with NHC staff support to meet your needs. WiFi is available throughout the office suite.

REFRESHMENTS/MEALS

NHC staff will support your staff in ordering catering for meals and refreshments as needed.
