

2027 Health Leadership Conference Sponsorship Benefits

OVERVIEW

The annual Health Leadership Conference is an interactive event that brings together Chief Executive Officers, Senior Executives, Board leaders, and other leaders from the nation's top Patient Organizations and Partners of Patient Organizations, to cultivate connections, create space for discussions on timely leadership topics, learn best practices and trends in nonprofit organization management, and discuss emerging issues in health care policy. The 2026 event welcomed over 180 patient organizations, partners of patient organizations, business representatives, and thought leaders.

The 2027 event is planned for **February 10-12** in **Savannah, GA**

NHC nonmembers and members from the Business & Industry membership category, including nonprofit health sector trade groups, can attend with the commitment of event sponsorship.
